

Brighton Swimming Club

England's Oldest Swimming Club Founded 1860

Dear Parents / Members

We have been informed by the management of the Prince Regent that the pools will be closed for essential maintenance work to take place on the following dates:

All swimming pools closed: 14th August 2017 - 13th October 2017

We are endeavouring to make alternative arrangements with other pools within the Brighton area to compensate for the loss of pool time. Please check our website calendar for updates on replacement sessions.

This closure will also have an impact on our Ken Deeley September Open Meet scheduled for 16th September. I can confirm today we have accepted an offer from the K2 pool at Crawley, and we can hire their pool on the 9th September 2017 for our Open Meet. Unfortunately the 16th September was already booked.

Under these circumstances we would appreciate your patience and co-operation.

For and on behalf of the Management committee.

Denise Halls

Hon Secretary
